

CARIBOU VALLEY OUTFITTERS

FAMILY OWNED AND OPERATED

WE TAKE PRIDE IN OFFERING YOU THE EXCEPTIONAL SERVICE WE ARE WELL KNOWN FOR!

"Dear Dave,
Thank-you very much for a fine hunting experience. Everything was well done and you 'landed well' when the weather didn't co-operate. The whole crew did an extremely good job and made the entire experience a good one. Special kudos to Terry Childs; he is a stellar guide, I'd hunt with him anytime."

Ronald S. Bowen, N.H.

"Seen 60 plus caribou the first day of the hunt. Took a big stag the second day of the hunt. Guides, cook and service were excellent."

Mark Blais, C.T.

"Seen animals everyday. Best hunt I was ever on. Thanks for excellent guides, cook and service. Just got to come back."

Clyde Morrison, N.Y.

"Hi Dave,
Finally I made it back to STL. Everything made it back okay including the Moose meat and all the racks. You've got a great operation and great guides and cook. After listening to some of the hunters on the way home I realized even more how well we had it. You can definitely use me as a reference."

Thank-you,
Mark Paddock, MO.
